

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 8752

IN THE MATTER OF:

Served June 1, 2005

Application of CAPITAL CITY )  
COACH, INC., for a Certificate )  
of Authority -- Irregular Route )  
Operations )

Case No. AP-2005-32

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District. The application is unopposed.

Applicant's president, Reginald W. Tymus, is also the president of Capital City Limousine, Inc., WMATC No. 298.

Applications for certificates of authority are governed by Title II of the Compact, Article XI, Section 7. Applications for approval of common control are governed by Article XII, Section 3.

**I. CERTIFICATE OF AUTHORITY**

Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with one minibus. Applicant's proposed tariff contains an airport transfer rate and an hourly charter rate with a minimum charge.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

**II. COMMON CONTROL**

Article XII, Section 3(a)(iii) & (c), authorizes the Commission to approve common control of two or more WMATC carriers, through

ownership of stock or other means, if the Commission finds that common control is consistent with the public interest. The public interest analysis focuses on the fitness of the controlling party, the resulting competitive balance, and the interest of affected employees.<sup>1</sup>

The Commission has uniformly approved common control in the past where, as here, the owner of an existing WMATC carrier decides to expand service in the Metropolitan District through a newly created entity. In such cases the Commission has held that the controlling party is entitled to a presumption of fitness,<sup>2</sup> that expansion of service through a newly created entity does not raise competition concerns,<sup>3</sup> and that the interests of affected employees are not at issue where an applicant has no prior operations.<sup>4</sup>

Each carrier is admonished to keep its assets, books, finances and operations completely separate from the other's. Sharing of office space will be allowed, but this should not be construed as permission to share revenue vehicles or operating authority.<sup>5</sup>

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 1068 shall be issued to Capital City Coach, Inc., 7311 Hanover Parkway, #C&D, Greenbelt, MD 20770.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

3. That applicant is hereby directed to file the following documents within the 180-day maximum permitted in Commission Regulation No. 66: (a) evidence of insurance pursuant to Commission Regulation No. 58 and Order No. 4203; (b) an original and four copies of a tariff or tariffs in accordance with Commission Regulation No. 55; (c) a vehicle list stating the year, make, model, serial number, fleet number, license plate number (with jurisdiction) and seating capacity of each vehicle to be used in revenue operations; (d) a copy of the for-hire vehicle registration card, and a lease as required by Commission Regulation No. 62 if applicant is not the
